<p>Action Required: FYI</p> <p>1. The attached is a facsimile of a letter forwarded to us by DTDORIC who received it from QKACTIVE. DTDORIC advised that while QKACTIVE was not in a position to help the school, QKACTIVE had requested suggestions for use in its reply. Headquarters tracing has revealed no information of value on the names mentioned in the letter. We recently advised QKACTIVE through DTDORIC to suggest that DUROV might take his case to QKFLOWAGE in Paris and/or request the assistance of the Ford Foundation or a similar organization. We forward DUROV's letter for your information.</p> <p>2. The school's difficulties may have come to the attention of the <input type="checkbox"/> may already have some knowledge of the school. Any further information on the personalities involved and on the school, its operation and present difficulty will be appreciated, as such information can be passed to DTDORIC and QKACTIVE. We do not at present anticipate any involvement with the school, and feel it imperative that any <input type="checkbox"/> efforts do not compromise QKACTIVE in its KUBARK relationship. Therefore, we are not requesting a <input type="checkbox"/> investigation.</p>
